OFFICIALLETTER

Applicants hereby request that the computer readable sequence listing in the related application, US Serial Number 08/463,128, now issued as U.S. Patent Number, 5,695,755, be transferred to this application.

The undersigned hereby states that the content of each sequence listing submitted and each computer readable copy requested to be transferred from 08/463,128 is the same as the sequence listing to which it is indicated to relate as required by 37 C.F.R. 1.821(g) and no new matter has been added.

Respectfully submitted

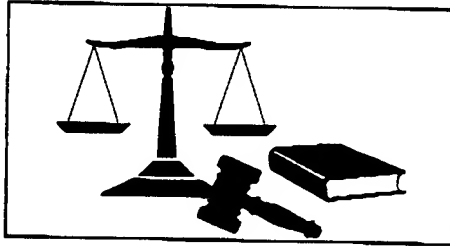

Kerry A. Flynn
